

The American Research Institute in Turkey: ARIT Research Fellowship Programs 2011-2012

The American Research Institute in Turkey is a non-profit academic organization founded in 1964 for the purpose of supporting research and promoting scholarly exchange in Turkey. ARIT administers a number of fellowship programs to support research and exchange in Turkey as described in the attached release. In addition, ARIT maintains two research institutes in Turkey, one in Istanbul and one in Ankara. Both branches include a library, hostel, and administrative offices for the support of American and Canadian based scholars conducting research in Turkey.

Please contact this office for further information about ARIT research centers, programs, or membership.
