Copyright Information (Don't forget to sign below!)

The photos are my own original creation. I am the sole owner of the copyright of any photograph submitted. But submitting this photograph, I guarantee that I am the author and copyright holder.

If findings from the dig have not yet been published, I have obtained consent from the dig director to share the photos.

I understand that all submitted photographs may be adapted, edited and/or modified to fit the needs of the ASOR website. By submitting the photo, I grant ASOR the non-exclusive right to use the photo in any way on its website, social media, promotional materials, or on a resource page for members and friends with the understanding that ASOR will not charge for the images.

I agree to fully and forever release, discharge, indemnify, defend and hold harmless ASOR from any and all claims arising out of the publication or use of the photograph. A photo credit will be given in all cases of publication.

I am at least 18 years of age.
