4. Eric Meyers presented a proposal from Damon Zucca of Oxford University Press to publish a new online edition of the Oxford Encyclopedia of the Ancient Near East, tying it in with the proposed Encyclopedia of the Bible, the latter to be edited by Michael Coogan. The proposed OEANE will eventuate in a single book with a new introduction. The idea is to provide a new income stream for the ASOR Opportunity Fund. Suggested that two members of COP should advise Eric Meyers in further negotiations with OUP. Names suggested are Mitch Allen and Chuck Jones were the names suggested. The new chair of COP should also be involved.

BE IT RESOLVED THAT ASOR endorse the new Oxford University Press initiative and empower the vice president of COP, the executive director, Tim Harrison, and Eric Meyers and to negotiate with OUP on a contract. PASSED UNANIMOUSLY.
5. Report on CAP (A. Killebrew). There has been some confusion who can direct a dig. The document circulated before the meeting represents the almost unanimous conclusions of CAP. Only North Americans will be directors of projects. For affiliation the North American director must appear on the license. CAARI is the sole exception, in that foreign expeditions will garner CAARI affiliation rather than ASOR affiliation.
  - a. BE IT RESOLVED that the Executive Committee accepts this report and recommends it to the Board for approval. Discussion ensued on the issue of affiliation of foreign digs. PASSED UNANIMOUSLY.
  - b. The class of 2008 is ending now. Eric Cline, Jerry Ross, and Greg Mumford would like to continue. One new nominee is Ed Maher.

BE IT RESOLVED that the above-named continue on CAP. PASSED UNANIMOUSLY.

7. Report on Publications (J. Blakely). Jeff rotates off VP May 6, 2008. *NEA* issue 73.3 should be at the printer now, and the next two are in the pipeline by end of June. That makes the July issue appearing in July. The second issue is to find editors for all its series. Jim Weinstein was reappointed, and today we have before us editors to confirm and take to the Board on May 6, 2008. When Jim was reappointed as editor there was a discussion of what would make *BASOR* better, such as color, a few more pages, and mailing. Paper quality is now better, so the photographs print better.

BE IT RESOLVED that Andy and Ann were appointed for one year, vol. 70. PASSED UNANIMOUSLY.
