## Food in Ancient Judah

Domestic Cooking in the Time of the Hebrew Bible

**Cynthia Shafer-Elliott**

*Food in Ancient Judah* explores both the archaeological remains and ancient Near Eastern sources to see what they reveal about the domestic gastronomical daily life of ancient Judahites within the narratives of the Hebrew Bible. Beyond the findings, the methodology of the study is in itself innovative. Biblical passages that deal with domestic food preparation are translated and analysed.

Archaeological findings and relevant secondary resources are then applied to inform these passages. It reflects both the shift towards the study of everyday life in biblical studies and archaeology and the huge expansion of interest in food history - it will be of interest to scholars in all these
